The following pages are for your information only. Please take your time reading them and be prepared to sign any corresponding consent statements when you arrive for your appointment.

Patient Consent Statements

Treatment Consent

I request and authorize medical and/or surgical treatment, as may be deemed necessary and appropriate by the physician and his or her designees participating in my care. The possible risks and benefits of any procedures shall be disclosed to me. This care may include diagnostic; radiology and laboratory procedures; therapeutic procedures, including minor procedures like cystoscopies (using a scope to examine the bladder); administration of drugs; hospital care and medically-appropriate referral for medical supplies including to companies in which my provider may be an investor.

Right to Refuse Treatment

In giving my general consent to treatment, I understand that I retain the right to refuse any particular examination, test, procedure, treatment, therapy or medication recommended or deemed medically necessary by health care providers.

I also understand that Urology San Antonio uses non-physician providers including advance practice nurses and physician assistants to assist in the delivery of urologic care. A non-physician provider has received advanced education and training in the provision of health care. A non-physician provider can diagnose, treat and monitor common acute and chronic diseases as well as provide health maintenance care. I understand that at any time, I can refuse consent to the services of a non-physician provider and request to see a physician.

I realize that I have the right to informed participation in all decisions involving my health care. I acknowledge that no guarantees may be made in regard to the effectiveness of any particular treatment.

Financial Responsibility

Insurance eligibility and benefit information provided by your insurance will determine the coverage and estimated reimbursement for medical services provided by Urology San Antonio. Outside referrals to other provider(s) for services may include but not be limited to, laboratory, other ancillary services, surgical and anesthesia services necessary for the provision of your care. Patients are financially responsible for payment of services to other providers.

Patients that do not have insurance benefits will be provided an estimate of charges based on provider's orders. Any prices quoted on the date of service are only estimates of charges for services. Procedures, laboratory and/or diagnostic studies and services may not be included in the original estimate and remain patient's full responsibility:

I accept that I am financially responsible for all services rendered on my behalf for which charges are associated. I accept personal responsibility for all co-payments/co-insurance, deductible and non-covered services as dictated by my insurance coverage.

I acknowledge that there may be services provided by Urology San Antonio which may not be covered by my insurance plan(s) and that I remain fully responsible for payment of these services. These may include but not limited to, services provided by Urology San Antonio that are exclusions from my insurance benefits; the determination is made by my insurance that I am not a covered policy holder under the insurance plan(s) you provided; my failure to provide current and accurate insurance card(s).

I agree to receive medical services provided by Urology San Antonio as a Self-Pay patient and accept full responsibility for payment of services rendered. The estimate amount quoted on my date of service is only an estimate. I understand that any remaining balance is my full responsibility.

No-Show Policy

I understand that a \$25 fee will be charged for each missed appointment (“no-show”), and that if I fail to attend three (3) scheduled appointments within a 12-month period, I may be subject to termination from the practice. I acknowledge that this fee is not billable to insurance, and it is my personal responsibility to pay before any appointment may be rescheduled.

Consent to Contact

I authorize and grant consent for Urology San Antonio, its assignees, and third party collection agents to utilize all contact information I have provided in efforts to contact me to communicate regarding my account, including debt collection, by a live person or automated dialing device. This includes, but is not limited to, home telephone, cellular telephone, employment telephone, and any form of digital communications including, but not limited to, contact by manual calling methods, prerecorded or artificial voice messages, text messages, emails, and/or automatic telephone dialing systems.

Confidential Communications Consent

I hereby authorize Urology San Antonio to furnish information to insurance carriers concerning my illness and treatment and hereby assign to the medical provider all payments for medical service rendered to myself or my dependents. I understand that Urology San Antonio may use electronic or facsimile communication devices to share information about me with other health care providers, third party payers or other facilities involved in my care. Urology San Antonio may leave voice mail identifying me as a patient of Urology San Antonio. (If you do not wish us to leave voice mail, please notify us.) Please understand that the use of communication technology may expedite your care. Urology San Antonio will not use or disclose your health care information without your authorization except as described in the Notice of Privacy Practices.

NOTICE OF PRIVACY PRACTICES

REV. 11/12/2015

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Urology San Antonio uses health information about you for treatment to obtain payment for treatment, for administrative purposes and to evaluate the quality of care that you receive. Your health information is contained in a medical record that is the physical property of Urology San Antonio.

Our Responsibilities: Urology San Antonio is required by law to maintain the privacy of your health information, provide you a description of our privacy practices and notify you following a breach of unsecured protected health information. Urology San Antonio will abide by the terms of this notice.

How Urology San Antonio May Use or Disclose Your Health Information: The following categories describe examples of the way we use and disclose health information.

For Treatment: Urology San Antonio may use your health information to provide you with medical treatment or services. For example, information obtained by a health care provider, such as a physician, nurse or other person providing health services to you, will record information in your record that is related to your treatment. This information is necessary for health care providers to determine what treatment you should receive. Health care providers will also record actions taken by them in the course of your treatment and note how you respond to the actions. Urology San Antonio may use your health information when referring you to other health care professionals and facilities.

For Payment: Urology San Antonio may use and disclose your health information to others for purposes of receiving payment for treatment and services that you receive. For example, a bill may be sent to you or a third-party payer such as an insurance company or health plan. The information on the bill may contain information that identifies you, your diagnosis and treatment or supplies used in the course of treatment. Urology San Antonio may use your information to contact you about account balances.

For Health Care Operations: Urology San Antonio may use and disclose health information about you for operational purposes. For example, your health information may be disclosed to members of the medical staff, risk or quality improvement personnel and others to

- Evaluate the performance of our staff
- Assess the quality of care and outcomes in your cases and similar cases
- Learn how to improve our facilities and services
- Determine how to improve the quality of and effectiveness of the health care we provide

Appointment Reminders and Treatment Calls: Urology San Antonio may contact you to provide appointment reminders or information about treatment plans, medication or tests results other health-related benefits and services that may be of interest to you. When leaving a voicemail, Urology San Antonio will provide the physician name, person calling and telephone number/extension.

Notification: Urology San Antonio may use or disclose information to notify or assist in notifying a family member, personal representative or another person responsible for your care, of our location and your general condition.

For Communication with Family: Urology San Antonio's health professionals, exercising their best judgment, may disclose to a family member, other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or payment related to your care.

Business Associates: In some cases, Urology San Antonio contracts with business associates to provide services on its behalf. An example includes arrangements with business associates Urology San Antonio has to provide collection services. Urology San Antonio may disclose your health information to such a business associate so that they can perform their respective job functions. To protect your health information, however, Urology San Antonio requires the business associate to safeguard your information.

As Required by Law: Urology San Antonio may use and disclose information about you as required by law. For example, Urology San Antonio may disclose information for the following purposes.

- For judicial and administrative proceedings pursuant to legal authority
- To report information related to victims of abuse, neglect or domestic violence
- To assist law enforcement officials in their law enforcement duties

As Permitted by Law: Urology San Antonio may also disclose health information to the following types of entities, including but not limited to

- Food and Drug Administration
- Public health or legal authorities charged with preventing or controlling disease, injury or disability
